To Whom It May Concern:

Enclosed you will find a copy of the United States JCI Senate Foundation Scholarship application package. Please pass a copy of this application on to any graduating high school senior who may possibly need further monetary assistance to attend a post-secondary college, university or vocational school. Feel free to make as many copies as needed.

The Vermont JCI Senate, in conjunction with the United States JCI Senate, offers the attached annual Scholarship to Vermont high school seniors for post-secondary education. Each state may submit up to two applicants for national judging. In 2002, Vermont had over fifty applicants. Approximately seventy applicants were submitted for national judging. Not all states sent in applications, some states only submit one application. Based on previous years, if an application is forwarded on for national judging, that application stands a roughly one in five chance of receiving a national scholarship. The Vermont JCI Senate also awards \$200.00 grants to each of the two student applicants submitted to the United States JCI Senate Foundation for national judging.

The number of grants awarded annually will be at the discretion of the United States JCI Senate Foundation. These grants must be used for educational expenses in the first year of full time study. Checks awarded will be made out in the name of the recipient and the educational institution of their choice.
